

Electrical symbols

cell		switch	
battery of cells		earth or ground	
or		junction of conductors	
power supply		lamp	
d.c. power supply		motor	
a.c. power supply		generator	
fixed resistor		ammeter	
variable resistor		voltmeter	
thermistor		diode	
light-dependent resistor		light-emitting diode	
heater		fuse	
potential divider		relay coil	
transformer		electric bell	
magnetising coil
